

TECHNICIAN CERTIFICATION PROGRAM APPLICATION FOR 2019 ENROLLMENT

The Frymaster Technician Certification Program is open to service technicians employed by Frymaster Authorized Servicers (FAS) and their sub-agents. To be **considered** for participation, technicians must be nominated by their Service Manager or the General Manager of the local FAS. The certification classes are limited to 16 students. Each student will be interviewed by Frymaster prior to acceptance. For this reason, applications must be received 45 days prior to class date and applicants will be notified of acceptance within 30 days prior to class date. **COST:** Attendees are responsible for travel to and from the host city and hotel fees. Frymaster will provide lunch each day. Attendees are responsible for evening meals. Please fill in all information.

(Please type or print.)
