

# EH1721/18UE COMPONENT BOX PLUG KIT 826-2022 INSTALLATION INSTRUCTIONS

**⚠ DANGER  
ELECTROCUTION HAZARD!  
WHEN INSTALLING THE PLUGS IN THIS KIT, DO NOT INSERT YOUR  
FINGER OR ANY OBJECT INTO THE HOLES.**

1. Open the door of the fryer and locate the drain valve. Directly above the drain valve is a sheet-metal box. This is the component box. Visually inspect the bottom of the box for open holes as shown in the left photo below. **DO NOT INSERT YOUR FINGER OR ANY OBJECT INTO THE HOLES!**
